5. [REDACTED] reported on the IFRB operation in Geneva which

[REDACTED] She informed the committee that the U. S. had imposed a disproportion of the total world work on the IFRB. A discussion followed on the forthcoming International Radio Conference at Geneva in 1959, and the role RSB would probably play in supplying useful information to the U. S. delegation. [REDACTED] the Agency representative, suggested to RSB that an informal approach be made to the State Department on this problem.
